

Dear Parent/Guardian:

I would like to take this opportunity to welcome you and your child to The Center School for the 2011-2012 school year. Your years at The Center School will provide you with a multitude of opportunities to develop your talents and to contribute to both the school and wider community. As you begin your high school career here at the Center, I encourage you to establish goals in both educational and co-curricular areas and then use all of your talents to shine and achieve them. Active students are often the most successful students. I encourage you to become involved in the life of this school as your class makes its mark in the history of The Center School.

In an effort to make the transition to high school as smooth and easy as possible, we are pleased to invite you to our New Student Orientation on June 8<sup>th</sup>, 2011 from 6:30 p.m. to 7:30 p.m. The program will begin in Rm. 353 for a welcome and a brief presentation titled “One Day in the Life Of a Center School Student.”

Freshman will learn about the registration process at The Center School during the orientation. If you are unable to attend the orientation, please call the school to find out what information we need for your course registration 206-252-9850. Upperclassmen please fill out course registration form enclosed and bring it with you. If you are unable to attend, please send the registration form in the return envelope enclosed.

After the presentation, you will meet with The Center School “Center Mentors”, or your Senate representatives who are committed to welcoming you to our school and making your transition as smooth as possible. They will answer any questions you may have as a new student. Hopefully, the friendships you establish with the Senate members will continue and support you throughout the school year.

We look forward to seeing you and hope the program will be an enjoyable opportunity to get to know us and make you as comfortable as possible in your new school. In the interim, please call 206-252-9850 if you have any questions.

Sincerely,  
Oksana Britsova  
TCS Principal
